Dust and discomfort,
Disorder and dirt.
The world topsy-turvy

Supper in the kitchen,
Bed on the floor.
'Tis housecleaning time
And home life's a bore.

SENT TO REFORMATORY.

Lucille Jackson, a colored damsel of seventeen summers, who has on more than one occasion appeared before the Police Court, charged with loitering, was yesterday, after being heard before County Judge Rice, ordered sent to the Reform School at Lexington until she is 21 years of age. When the court pronounced sentence, and ordered her back to jail to await commitment papers, she switched herself out of the court room as if the court had done her a great favor. And the court has.

TRAIN WRECKED.

Thursday afternoon about 2 o'clock, a freight train, while switching at Hall's siding, east of this city, was wrecked by the twisting of a rail, which threw the engine off the track, causing traffic to be delayed until the wrecking crane arrived from Covington and placed it back on the track. The delay amounted to about one hour.

"ABERDEEN ALUMNI."

The second annual banquet of the Aberdeen High School Alumni was held last evening at the School hall, and was a most pleasurable affair. Miss Minna Gray, the President, welcomed the graduates of 1915 into the organization, which was responded to in a most gracious style by Miss Sadie Mae Brown. After a feast to the inner man served by the Parent-Teacher Association, the President introduced as Toast-master Dr. S. A. Laughlin, who presided in a most pleasing manner. After a talk by the Toast-master, each of the classes for a number of years back were called on for toasts, which were responded to in most original styles. Mr. Dunn, the Principal of honored this in a most pleasing manner. After a talk by the Toast-master, each of the classes for a number of years back were called on for toasts, which were responded to in most original styles. GOING TO SUNDAY SCHOOL?

Are you going to Sunday school? Yes! Yes! Yes! When are you going? Sunday, Sunday, next Sunday. Who all are going? Fathers, mothers, brothers, sisters and all the children.

Why are they going? 1. Because the Sunday school is a great life-saving institution, through whose agency millions of children who are drifting to ruin are saved. 2. Because the Sunday school is a congregation of men, women and children engaged in studying the Bible, which alone is able to make them wise unto salvation. Is that true? Yes! Yes! Yes! Then, let's all go to Sunday school. To the Sunday school of your choice, or the one with which you are affiliated. Let's all go to Sunday school.

THE LAST BOURBON.

It's too bad about the Duke of Orleans, the grandson of Louis Philippe and unpretentious pretender to the throne of France. The Duke wants to get in the war, and nobody will let him. He has offered his services successively to France, England, Belgium and Russia, and been turned down every time. They're all afraid of him over there—they don't want any jobless Bourbons borboring around. The Duke might as well give it up, come to America and start a distillery. Think of the trademark possibilities: "Genuine Bourbon, made and bottled by the Duke of Orleans, last of the Bourbons." And as for fighting, the prohibitionists would give him all the war he wanted.—Pamphlet News-Democrat.

DON'T GET HUFFY.

It don't pay to get "huffy" at a newspaper. There may come a time when you'll need it.—Lisbon Journal.

You can't get ahead of a woman when she pursues you. A St. Louis man tore up his paper money so his wife couldn't spend it. She had him arrested and as he had no money to pay his fine, he had to go to jail.

Good Reason.

"When I was shipwrecked in South America," said Captain Bowsprit, "I came across a tribe of wild women who had no tongues."

"Mercy!" cried one of his listeners of the fair sex, "How could they talk?"

"They couldn't," snapped the old salt, "That's what made 'em wild."—Pittsfield.

GOSSIP FROM THE NATIONAL CAPITAL.

Washington, April 24.—The annual convention of the Archdiocesan Union of the Holy Name Societies of Washington, Maryland and a portion of Virginia is to assemble tomorrow in St. Mary's Catholic church in this city. From all indications it will be the largest gathering ever held by the society in this section of the country. The convention will be opened with a solemn high mass tomorrow morning, at which Bishop Corrigan will occupy a throne inside the chancel. The sermon will be preached by one of the priests of the Dominican Order, from which sprang the Holy Name Society in 1432. In the afternoon the principal address to the delegates will be delivered by John Burke, Treasurer of the United States.

Plans are going forward in the War Department for the instruction of thousands of young men from schools and colleges in military camps this summer. Letters received at the War Department from students who wish to enroll in the five-week camps in the east have been referred to Maj. Gen. Leonard Wood, commanding the Department of the East at New York. Last year the camps were under the direct supervision of the War Department, but this year the department commanders are to give them personal supervision. The camps will be located at Chickamauga Park, Plattsburgh Barracks, Ludington, Mich., and at the Presidio, San Francisco.

The United States Navy Department having jettisoned the nautical terms "starboard" and "port" for "right" and "left" in steering, the United States coast and geodetic survey service is seriously contemplating further disregarding former nautical nomenclature by printing the depth of water on coasting charts in feet, instead of in fathoms as heretofore. To that end the bureau is obtaining the opinions of navigators pro and con as to its practicality. It is declared to be natural that changes of this character should take place as those engaged in promoting simpler as well as more efficient means of obtaining satisfactory results in navigation find them to be of advantage.

LINCOLN OBSEQUIES IN NEW YORK 50 YEARS AGO.

New York, April 24.—Fifty years ago today, April 24, 1865, the remains of President Lincoln passed through New York on their way west. Many men and women still living in the metropolis are able to recall the impressive funeral obsequies that marked the occasion. The funeral train arrived at Jersey City at 10 o'clock in the morning, Chauncey M. Depew, then Secretary of State for New York, received the body in the name of the state of New York. The body was conveyed to the New York side on a ferry-boat. At the ferry landing an imposing procession was formed and moved through the crowded streets to the City Hall, where the remains lay in state until the following morning. It was estimated that 120,000 people passed before the coffin in the rotunda of the City Hall to pay their last tribute to the dead President.

On the morning of the 25th the body was escorted by an enormous and impressive procession to the Hudson river railroad station, to begin the journey westward. The procession was estimated to contain no less than 50,000 persons and it was by far the greatest thing of its kind New York had ever seen. While it passed through the crowded streets the business of the entire city was suspended.

The procession halted at Union Square for the holding of impressive ceremonies. Among those who participated in the ceremonies were John A. Dix, Hamilton Fish, Peter Cooper, A. T. Stewart, William M. Tweed, George Kunerott, William M. Everts, George William Curtis and William B. Astor. A feature of the program was the recitation of an ode written specially for the occasion by William Cullen Bryant.

ATTEND SUNDAY SCHOOL.

Editor The Ledger: The article in Thursday's Ledger on Go-To-Sunday School day was timely. There should be a general interest taken in the effort to have 3,000 in the Sunday schools of Maysville. Your article does not make it clear that the count can only be the attendance at the Sunday school. Those who attend the church and not the Sunday school will not be counted in the reported attendance. This is to advertise the Sunday School. Those adults, as well as children, who never get to this important service should take this opportunity to attend. If we reach the 3,000, all the Maysville Sunday schools will have to have three times their regular attendance. Therefore, let everybody take Sunday school attendance. If the business men and their employees, the school teachers, the policemen, the street car conductors, the keepers of boarding houses and hotels and everybody else would talk this thing up, Maysville would be able to take her place along with the other wide-awake Kentucky towns when the general report of the total attendance is given.

"FORTUNES OF WAR"

Lieutenant Conos, Who Wrote Home From the Trenches, Was Blown To Pieces By Shell.

A few weeks ago The Ledger published a letter from a young British fighter in the European war, right from the trenches, near Neu Chappelle, France.

The writer of the letter was Lieut. George W. Coates, Thirty-third British Royal Field Artillery, who was a nephew of a Canadian friend of the Rev. J. H. Fielding, of this city.

A few days ago Rev. Fielding was in receipt of another letter from this same friend, informing him that Lieutenant Conos was killed in the trenches, being literally blown to pieces by a German shell.

Such is war.

Backache is only a simple thing at first. But if you find 'tis from the kidneys;

That serious kidney troubles may follow. That dropsy or Bright's disease may be the fatal end.

You will be glad to know the following experience.

"This is the statement of a Maysville citizen. Mrs. Della Lunsford, 328 E. Front St., Maysville, Ky., says: 'I attributed kidney trouble to a strain. I had sharp, shooting pains through my kidneys and a dragging down feeling in my hips. I had dull headaches and dizzy spells and often if I had not caught hold of something for support, I would have fallen. I was in that condition for several years, up one week and in bed the next. I finally began to notice symptoms of dropsy. My feet began to swell and my hands were at times the same way. Doan's Kidney Pills, procured at J. J. Wood & Son's Drug Store, permanently cured me.'

SENTIMENT AGAINST RAILROADS.

Just a word about sentiment in this country against railroads. It fits well with the charge that the railroads should be denied their request for an increase in passenger rates. Did you ever notice the great lists of those killed along the railroad right of ways? Did you ever notice the fellows who, when they congregate at the stations, stand upon the tracks instead of upon the platform? Did you ever recall that every fellow who is even slightly injured along the entire right of way of railroads goes sailing into the courts with a damage suit? In Europe, when a person walks upon the right of way he must have a permit, and if caught on the right of way away from designated points without one, he is taken into custody. You catch the difference in sentiment? Struggling, striving and do the very best they can, the sentiment in this country, stirred by agitators, has brought the railroads to a place where there ought to be a cessation.

"The hankering after new and improved methods of paralyzing textile and other manufacturers," says the dry goods editor of the New York Journal of Commerce, "is now recognized as being some" — unpatriotic, and certainly as something to be frowned upon by discerning politicians."

Beautiful Home For Sale

Mr. and Mrs. Robert Dawson have placed with us for sale their new home on East Second street, in the Sixth Ward. This home is located on a large lot, 72x150 feet, and running back to Williams street. We will not make any attempt to describe this home in detail. It is built of pressed brick, with hardwood floors, basement under the entire house, slate roofing, hot water, furnace, gas all over the house, and in fact, is modern and complete throughout, and must be soon to be fully appreciated. This beautiful home has been admired by all who have seen it, and every Maysvillian is justly proud of such enterprising citizens, as the builders of this property. Mr. Dawson's health is such that his physician has advised him to spend his winters in the South, and for that reason he offers his home for sale at less than cost, \$6,500.

CLEAN UP!

Comes spring, once more, with gentle mien;
Lo, winter's gone at last;
Each tree puts on its dress of green
And women folk begin to clean,
Now that fire time is past.
Up with your rake and hoe and broom,
Pick and shovel, too;
Prepare to hit old dirt a swat—do what
this rhyme says do.

NOTED CINCINNATI WOMAN COMING.

The Woman's Club has had the good fortune to secure as speaker at their next meeting, Friday, April 30, at 2:30 o'clock, Miss Annie Laws, of Cincinnati. Miss Laws is too prominent a woman to need an introduction to Maysville people. She has filled many positions of trust and honor and has been engaged in health, educational and social uplift work. She originated the Visiting Nurse Association, is secretary of the Ohio Red Cross Association, president of Cincinnati Federated Clubs, president Cincinnati Kindergarten Association, twice president Cincinnati Woman's Club, is now a member of the Cincinnati Board of Education and a member of the faculty of the University to teach parliamentary law.

Maysville will doubtless appreciate this opportunity of hearing so distinguished a woman and will greet her with an audience worthy of the occasion.

GREATEST STRUGGLE IMPENDING.

London, April 22.—From every direction comes the evidence that the belligerents are preparing for an imminent general collision east and west, on land and water, in the air and under sea.

SMITH-ELLIOTT.

George Smith, of the Carmel pike, and Miss Maple Elliott, of Springdale, who were quietly married at the Christian church parsonage Wednesday, are now at home to their friends at the Smith home.

Mr. Thomas E. White, of Indianapolis, Ind., arrived in Maysville Thursday afternoon for a visit to his brother, Mr. W. T. White, who is the Linotype operator at The Public Ledger office.

Dogs killed twenty-three ewes and lambs for James Dooley and fifteen lambs belonging to Abner Henry in Nicholas county last week.

NEWSY ITEMS FROM THE DOVER NEWS.

Mrs. Nancy Pierce was 81 years old Tuesday, April 20. Her daughters, with their children, enjoyed a splendid dinner in honor of the occasion.

Rev. D. W. Nicholas, pastor of the Christian church, has been for the past week confined to his home with mumps and was unable to preach Sunday.

The annual convention of the Sunday schools of this district will be held at Bensley Creek church, Sunday, May 2. This is an occasion when all of the Sunday schools of the district get together for the advancement of the work and is a most interesting meeting.

Fire Sweeps Tabb Graveyard.

One day last week fire got into the dry grass and vines in the Tabb graveyard at the mouth of Fox lane and the whole graveyard was burned over and the fence surrounding it destroyed. This is one of the oldest burying plots around here and holds the remains of some of the most prominent early settlers of Dover.

Deputy Sheriff's Narrow Escape.

While Deputy Sheriff and Mrs. G. W. Laycock were leaving the home of Mr. and Mrs. John Danhe Monday, and while driving through a gate onto the pike, the horse they were driving shied at a machine and ran the buggy into a ditch. The buggy upset, dumping the occupants out. Mr. Laycock suffered a severely sprained ankle, while Mrs. Laycock suffered a slight sprain of her ankle.

Locked In the Cooler.

Saturday morning while there were no customers about, Joe McMillan went into his big refrigerator to hang some meat. The outer door closed and latched on the outside, making him a cold storage prisoner with nothing to eat except a variety of fresh meats. When Joe found himself bottled up he yelled lustily until he attracted the attention of Marshal Thomas, who promptly released him on a writ of habeas corpus or something that turned the latch.

Dover To Have New Mill.

Mr. C. C. Pyles, of Ewing, who purchased the C. B. Black property on Hall street, was in Dover last Wednesday for a short time. He expects to locate a mill here for grinding all kinds of food for animals and to keep a supply of all kinds of stock food. Mr. Pyles' father sold goods in Minerva some sixty years ago. As Mr. Pyles has bought property and expects to locate with his family and business, he will be welcomed as a good citizen and one that will benefit the town.

FINANCIAL STATUS

Of Paris, Already Bad, Will Suffer To Extent of \$17,000.

Paris, Ky.—The news of the decision of the Court of Appeals in the local option contest was received here with manifest expressions of joy by the drys and with corresponding gloom by the wets.

A hurriedly called meeting of the Paris Commercial Club and the Board of Council was held. The financial condition of the city is at a low ebb and with a further deficit of \$17,000 revenue, leaves it in a rather deplorable condition.

At the meeting it was agreed that increased license fees will have to be imposed upon all branches of business, the ratio of which will be decided at a future meeting.

A BRIGHT LITTLE MISS.

Last Sunday's Courier-Journal contained a well-executed drawing by little Miss Ethel Groppenbacher, daughter of Mr. and Mrs. William Groppenbacher, of this city. It shows good artistic ability.

Full apology for the attack made by Czarnia soldiers on a United States airplane has been received in Washington.

STOMACH TROUBLES

Mr. Ragland Writes Interesting Letter on This Subject.

Madison Heights, Va.—Mr. Chas. A. Ragland, of this place, writes: "I have been taking Thedford's Black-Draught for indigestion, and other stomach troubles, also colds, and find it to be the very best medicine I have ever used."

After taking Black-Draught for a few days, I always feel like a new man. Nervousness, nausea, heartburn, pain in pit of stomach, and a feeling of fullness after eating, are sure symptoms of stomach trouble, and should be given the proper treatment, as your strength and health depend very largely upon your food and its digestion.

To get quick and permanent relief from these ailments, you should take a medicine of known curative merit.

Its 75 years of splendid success, in the treatment of just such troubles, proves the real merit of Thedford's Black-Draught. Safe, pleasant, gentle in action, and without bad after-effects, it is sure to benefit both young and old. For sale everywhere. Price 25c. N. C. 127

THE FATE OF THE PHEASANTS.

(Augusta Chronicle.)

Mention was made in these columns two or three weeks ago that Senator Miles, of Foster, had liberated several ring-neck pheasants, furnished by the state, in the Johnsville vicinity, two of the number being male birds. One day last week one of the males was found dead near where it was liberated, the bird evidently having been killed either by hawk or fox, as the body was partially eaten.

BUILDING NEARING COMPLETION.

(Brooksville Correspondence In Augusta Chronicle.)

We are told that the cornerstone laying of the new court house will be on June 14, instead of April 28, as previously announced. The building committee expects to have all arrangements completed by that time.

President Wilson, in an address before the Potomac Presbytery, pictured a vision of China, awakened by the voice of Christ, furnishing a great momentum in future to the moral forces of the world.

Continued lack of rain east of the Mississippi river has checked plant growth, but preparations for planting have not been interfered with, according to the Department of Agriculture.

FLOOD PREVENTION

Examination of Streams By Uncle Sam Fox Surveys.

The Cincinnati Enquirer says: "Orders were received in the various districts in the Ohio watershed directing that preliminary examination of the streams for which flood surveys are to be made be started at once. Col. Jervey has left Cincinnati for an inspection trip through the district."

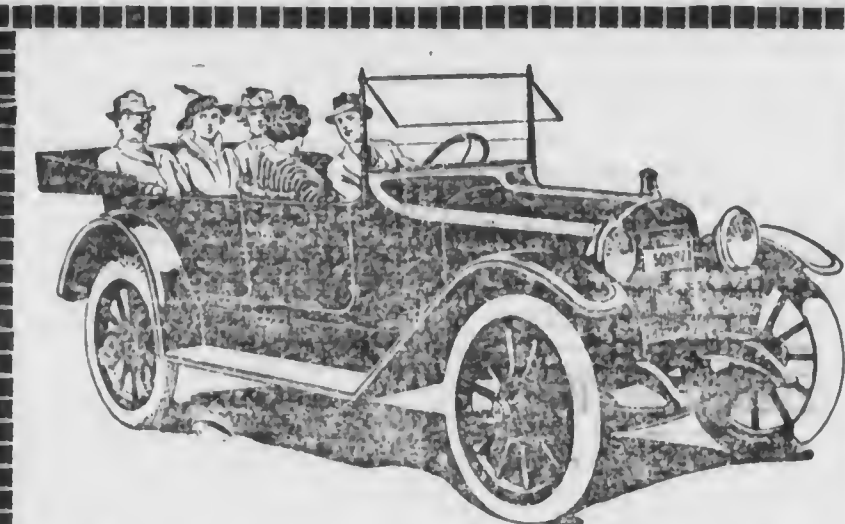

MRS. STORY RE-ELECTED PRESIDENT D. A. R.

Washington.—Mrs. William Cunningham Story, of New York, was re-elected President General of the Daughters of the American Revolution over Mrs. George Thatcher Guernsey, of Kansas, by a vote of 695 to 461.

BOY ON RAMPAGE.

Bruce Jones, aged 16, was arrested Thursday night by Officer Stewart on the charge of incorrigibility. Young Jones, it is charged, tore up his home in general. He will be given a hearing this afternoon.

Mrs. Susan Managann will leave tomorrow for Winchester, Ky., for a visit to her daughter, Mrs. John Edgington. Although she is past 80 years old she travels alone.

CONDITIONS NEVER BETTER FOR THE FARMERS.

Despite the dry spell, it is said that conditions never appeared more favorable for the farmers than at present. Several are through with their corn planting. Nearly all plowing has been finished a month ago.

Tobacco plants are plenty and looking well.

There never was a brighter outlook for bumper crops.

PURCHASED CAR

Mr. E. Gardner, chief clerk of Bates-Rogers Construction Company, at work on Dam No. 33, above this city, has purchased a car from Kirk & Kirk, of Sutton street.

A WOMAN'S APPEAL

To all knowing sufferers of rheumatism, whether muscular or of the joints, sciatica, lumbago, backache, pains in the kidneys or neuritis, pains to write to her for a home treatment which has repeatedly cured all of these tortures. She feels it her duty to send it to all sufferers. It is a simple discovery of nature being necessary. This simple discovery banishes uric acid from the blood, loosens the stiffened joints, purifies the blood and brightens the eyes, giving elasticity and tone to the whole system. THIS IS THE MOST IMPORTANT ADVERTISEMENT I EVER CAUSED TO BE PUBLISHED. READ EVERY WORD—AND THEN MARVEL

On a personal visit to Mr. Henry Ford I broached the subject of a pos-
sible August 1st Rebate.

(The Ford Company announced last year—as you well remember—that if
their total sales reached 300,000 cars between August 1, 1914, and August 1,
1915, each purchaser during that period would receive back a refund of \$40.00
on \$400.00.)

"Mr. Ford," I suggested, "Is there anything I can say to our people with
regard to the Ford Motor Company's 300,000 car rebate plan?"

"We shall sell the 300,000," was the quiet reply—"and in 11 months, a
full month ahead of August 1st!"

"Then a refund is practically assured!"

"Yes—barring the totally unexpected. We are 50,000 to 75,000 cars behind
orders today. Factory and branches are sending out 1800 daily.

I then said to Mr. Ford: "If I could make a definite refund statement we
would increase our local sales 25 cars.

"You may say," was Mr. Ford's deliberate and significant reply to this—
"You may say that we shall pay back to each purchaser of a Ford car be-
tween August 1, 1914, and August 1, 1915, barring the unforeseen, the sum of
\$50. You may say that I authorized you to make this statement!"

What can I add to the above? \$15,000,000 cash coming back to Ford own-
ers. And to prospective Ford owners up to August 1, 1915, it actually means
—Ford Touring Cars for \$490—less the \$50 rebate! Ford Runabouts for \$440
—less the \$50 rebate! What is there left for me to say?

LOOK FOR IT HERE

In the wee hours of early Friday
morning a large flock of wild geese
hovered over the city and seemed to
have lost their bearings, due no doubt,
to the heavy fog that prevailed and
the glare of electric lights. They flew
close to the ground, and were especially
low and in large numbers in the East
End, where one of Maysville's most
gallant and chivalrous policemen was
stationed. He became so interested in
the noise the fowls were making that
he imagined they had landed in the
Maysville Coal Company's coal yards.
He crept stealthily up to the fence and,
behold, he saw them walking around
on the ground. This gallant officer, be-
ing a member of the Game and Fish
Club and not wishing to slaughter
these defenseless birds while they were
resting, tried to shoot them again into
the air on their journey, with the fond
hope and expectation of bringing one
or two down to Mother Earth as they
wended themselves away.

But the valiant officer could not
"shoo" the birds. They refused to
"shoo," whereupon he made an inves-
tigation and found that he was trying
to get a shot at Councilman Godfrey
Hunsicker's large flock of tame ducks.
The officer became frightened at his
mistake and hastened away to other
parts of his beat. Wonder what would
have happened if he had shot the
ducks!
